● COURSE ●

This Course is a Course to get Continuous Discharge Certificate. In this course Candidates are trained in both Deck and Engine Room tasks. Such candidates may be employed either in deck department or Engine department according to the needs of the company. They perform tasks related to Seamanship, Cargo Handling, Maintenance work on deck, Operation and Maintenance of Machinery.

This Course ensured higher employability of the Indian seafarers in the world market. This is a Two months residential course approved by D.G Shipping (Govt. of India). Course syllabus includes the combined study of Deck and Engineering subjects.

This course will cover all aspects of the seafaring profession (Deck and Engine), which also include swimming, physical drills, workshop training, rope and mast climbing, lifesaving appliances usage, firefighting exercises and ship visits etc. After the training, external examinations is conducted by Board of Examination of Seafarers (BES) under D.G Shipping (Govt. of India). Students who successfully pass the examination (BES) are issued INDIAN CDC and are eligible for ship jobs around the world. The students can join a ship as trainee OS (Ordinary Seaman).

The Course candidate will be able to work in all seamanship activities on-board at Deck side & as well as at Engine side. With further Sea-service, they will be promoted as, Able-Bodied Seamen, Bosun, etc. They can also be promoted to Officer Level with certain sea service (36 months) and qualification requirements. There are wide job opportunities for Indian Seamen all over the world. Those candidates who want to pursue a career in Merchant Navy as soon as passing 10th Standard can join this course. These courses help the candidates to pursue the career in Merchant Navy and help in financial growth after 2 months of Pre-sea training.
